

# ITEXMI Xpods Tiny

## True Wireless Earbuds

### I. Important - Warnings and Safety Instructions

1. To prevent accidental ingestion, keep the earbuds out of reach of small children and pets. The earbuds contain a lithium battery, which may be hazardous if swallowed. If swallowed, seek immediate medical attention. When not in use, store the earbuds in the charging station.
2. When inserting the earbuds into your ears, start with a low volume and gradually adjust to a comfortable level.
3. Prolonged exposure to high volumes may damage your hearing.
4. Prioritize your safety and that of others. We advise against listening to music while riding or driving, or at any time when the inability to hear surrounding sounds may present a danger.
5. If you experience a warm sensation or loss of audio, remove and disconnect the earbuds immediately.
6. Avoid placing the product near heat sources such as fires, radiators, stoves, candles, and other heat-producing devices.
7. Use only the accessories supplied by Itexmi.
8. Unplug the Charging Case once the earbuds are fully charged, when unused for long periods, or during lightning/thunderstorms.
9. All servicing should be referred to qualified personnel. Servicing is required when the device has been damaged in any way. Any evidence of tampering with the device, including scratches, peeling, puncturing, or removal of any labels, will void the Limited Warranty.

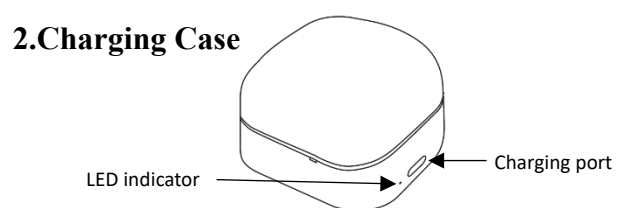

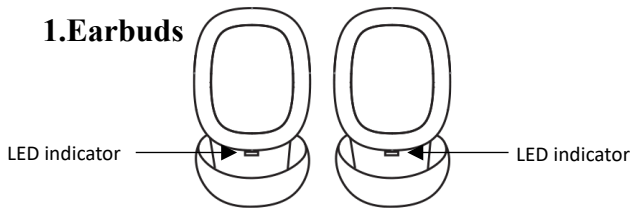

**CAUTION:** Do NOT use the earbuds while swimming or showering.

### II. In the Box

1 x Itexmi Xpods Tiny (Charging Case + 2 x earbuds) | 1 x USB Charging Cable | 2 x Extra Ear-gels |

1 x Quick Start Guide

<b>Triple Tap</b>	R earbud - Volume Up	L earbud - Volume Down
<b>Single Tap (L/R earbuds)</b>	During Calls: Receive Incoming Call	During Calls: End Call

## IV. How to Wear

- Insert the earbud into the ear.
- Tilt and rotate the earbud until it fits comfortably and the microphone is pointing towards your mouth.

## V. Charging

With up to 5 hours of playback time in the earbuds and 2 recharges in the charging case, Itexmi Xpods Tiny provides up to 15 hours of playtime.

### 1) Earbuds

- The earbuds charge while they are in the Charging Case.
- Place the R and L earbuds in the Charging Case. The blue light appears on the Charging Case, indicating that it is in charging mode.
- The LED disappears when the earbuds are fully charged, and the Charging Case automatically switches off to stop charging.
- It takes approximately 40 minutes to fully charge the earbuds.

### 2) Charging Case

- Plug the Charging Case into a USB Power Supply using the Type-C USB charging cable provided.
- While charging, the LED turns red and flashes. Once fully charged, it turns solid red.
- Allow up to 45 minutes to completely charge the Charging Case, or 1.5 hours for the Charging Case with earbuds.

**Disclaimer: Please use only the Type-C charging cable for charging.**

## VI. Bluetooth Pairing

### VI.1) TWS Mode

- Take out any of the earbuds from the Charging Case. The earbud flashes on once it is switched on.
- The earbud flashes red and blue alternately, indicating that it is ready to pair with a device.
- As it flashes blue and red alternately, ensure that Bluetooth is enabled on your device. Find the device list and select "ITEXMI X-Tiny". Once the Bluetooth connection is successful, the earbuds flash blue alternately, a sound beep "connected" is heard, and it is ready to play.
- The other earbud will automatically connect with the first one as soon as it is taken out from the charging case and switched on.

### VI.2) Single Earbud

- Take out any one of the earbuds from the Charging Case. The earbud flashes on.
- The earbud flashes red and blue alternately, indicating that it is ready to pair with a device.
- As it flashes blue and red alternately, ensure that Bluetooth is enabled on your device. Find the device list and select "ITEXMI X-Tiny". Once the Bluetooth connection is successful, the earbud flashes blue alternately, a sound beep "connected" is heard, and it is ready to play.

**Note:** Both buds can be connected separately with 2 different mobile phones and can be used as a single Ear-bud.

## VIII. Care and Maintenance

1. Switch off the earbuds before cleaning them.
2. Use a soft, damp cloth to clean the surface.
3. Do not use any chemicals, solvents, or cleaning solutions containing alcohol, ammonia, or abrasives.
4. Do not allow any liquid to enter any of the openings.
